1995 TORERO OUTLOOK

The 1995 season looks bright for the USD women's soccer team as 16 players return from the '94 roster. A young team last year that recorded an 8-11-1 record and 3-4 conference record has matured and are ready to move up in the WCC standings.

Led by the Toreros all-time scoring leaders, junior Michele Kennedy and senior Dawn Birdsall, the offense should improve on its 32 goals it scored last year. Kennedy, a '94 All-West Coast Conference First Team selection, led the team in scoring with 21 points and was ranked third in the WCC in assists with 11. She has totaled 52 points over her two-year career. Birdsall is a two-time All-WCC First Team pick and has 39 points in her three-year career. She scored five goals last year, second on the team, and had 14 points.

Besides Kennedy and Birdsall, there are three others that scored in double figures who also return in 1995. Forward Jenny Jongejan, whose six goals led the team, and midfielders Monica Costello and Annmarie Snorsky, who scored four goals apiece, will also be key in the Torero offensive attack.

The defense again looks tough as junior Michele Bush will continue to be the leader. Bush was an All-WCC First Team selection in '94 and started all 20 games for the Toreros. She is joined by five returnees: Kristen Campbell, Mindy Campbell, Amanda Stack, Dorie Flynn and Joy Iwanaga. Both Campbells also started all 20 games for USD in '94.

Both goalkeepers will return and battle for the starting job. Senior Danielle Lopez was a All-WCC Academic Team member last year. Sophomore Allison Worden was named to the All-WCC Honorable Mention team and started in thirteen games last year.

Six newcomers add depth to the team led by senior midfielder Shawn Vilorio-Burns. Vilorio-Burns transferred from San Diego State where she was the career scoring leader. Junior defender Amy Goaziou transferred from the University of Portland, a Final Four team in '94. Both should make an immediate impact on the team.

The Toreros 1995 schedule looks tough with four of the first six matches on the road. The Toreros who will have to face WCC Champion Portland and WCC-runner up Santa Clara on the road this year and tackle always tough Stanford at home in the second week of the season.

"The key to the season will be to quickly integrate the new players into the team and find the right combinations," said head coach Tony da Luz. "It may take us awhile to gel, but by mid-season we will be very difficult to beat. Our goal this year is to reach the NCAA's and see how far we can go. If we can do that in only our fourth season, I will be satisfied."

THE UNIVERSITY OF SAN DIEGO

The Setting

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres over-looking Mission Bay, San Diego Harbor and the Pacific Ocean (just two miles away). The campus is named Alcalá Park and is located 10 minutes from downtown San Diego.

The Campus

The USD campus is one of the most architecturally unique institutions found in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style.

In the last decade, USD has completed eight major construction and expansion projects. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility double the size of the former law library that offers the latest in information technology.

Academics

USD enrolls 6,400-plus students who have a choice of more than 50 undergraduate and graduate degree programs. The University includes the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 10-30 students with the student to teacher ratio being 18:1. Over 96 percent of USD's full-time faculty hold doctorates.

Student Life

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia, and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. Over two-thirds of the USD community partakes in intramural sports.

Athletics

San Diego is a member of the West Coast Conference and competes in 16 intercollegiate sports on the NCAA Division I level. Men's sports include: soccer, baseball, basketball, crew, cross country, golf, football and tennis. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. In the past two seasons alone, five USD teams have advanced to NCAA Tournaments.

Did You Know?

- In a report issued by *The Chronicle of Higher Education*, USD scholarship athletes ranked third among all West Coast Conference, Pacific 10 and Big West schools in graduation rates.
- USD's Dining Services was awarded first place in the standard menu division for medium-size schools at the 18th Annual National Association of College and University Food Services competition.
- In 1991, the Library of Congress chose USD (one of only 37 U.S. schools and libraries) to take part in its American Memory Project (AMP). Through the use of computers and TV monitors, students can call up original source materials from the Civil War, Continental Congress and other Library of Congress holdings.

COACHING STAFF

Tony da Luz

Head Coach - 4th Year

Head Coach Tony da Luz begins his fourth season as head women's soccer coach at the University of San Diego.

Since his hiring on Nov. 7, 1992, da Luz has been in charge of building the newest sport at USD from the ground up. Last season the Toreros recorded 8 victories for the second straight year, including a 3-2 upset of #13 St. Mary's College along the way. In 1993 USD won seven of its last eight games to finish 8-8 overall and tied for third in the West Coast Conference. Among the Toreros' '93 victories was a 1-0 upset over No. 20 Washington to take third place at the Umbro Invitational.

Da Luz has been a familiar sight on the USD sidelines since his days as a player and assistant coach on the men's team. A former USD team MVP and WCC honorable mention selection, da Luz broke into coaching as chief assistant coach to Séamus McFadden prior to the 1984 season. In his seven years on McFadden's staff, da Luz helped USD to five straight winning seasons.

Tony and wife, Amy, have two sons, Austin and Tyler. They reside in Del Mar.
